E-Mail vs Snail Mail

In an effort to reduce costs and improve communication, many of the correspondences you receive from us are switching from Paper and US Mail to E-Mail. This allows us to send you information more timely. If you have an e-mail address and are not sure if I have it, please send me a quick e-mail message with it so I can add it to my files. You can rest easy knowing I will not sell or allow others access to this information. It is simply for confirmations, show info, scheduling updates and general Great train Expo news.

About the Great Train Expo

The Great Train Expo was founded in 2005 and has grown to be the largest traveling model train show in the country with about 40 shows each year! Our shows serve all markets in the United States except the far northeast.

One of our main goals is to promote the hobby of model railroading that we all love and enjoy so much. One of the best ways to do this is to show people unfamiliar with the hobby, kids and adults alike, the wonderful things the hobby has to offer. Operating train layouts in various sizes and scales along with informative “how to” workshops are critical parts of the show as they do this better than anything.

We hope you will be part of the show and help us to promote the wonderful hobby of model railroading!

Help Support Model Railroading!

The Great Train Expo is dedicated to promoting the hobby of model railroading, but we need YOUR help! We're looking for clubs and individuals to bring the following attractions to our shows:

- Operating Model Layouts
- Static Displays
- Riding Trains
- Workshops & Demonstrations
- Other Model Railroading Related Displays & Attractions

Honorariums

To help offset the cost of travel and transporting your items to the show, we offer an honorarium, which is essentially a "donation" to your club. Honorariums are based on the size of your layout, but we do consider special requests. Here is how they breakdown:

<u>Square Footage</u>	<u>Honorarium Paid</u>
>100 ft	\$50.00
101-499 ft	\$100.00
500+ ft	\$150.00

We get **a lot** of requests from groups that are interested in bringing their layouts to the show, and as much as we'd like to, we're not always able to accommodate everyone. Priority is given to those layouts that do not require an honorarium, then to those only asking for the standard, and finally those that require more than the standard amount.

Workshops & Demonstrations

Are you great at an aspect of model railroading? Share your gift with others at one of our shows! We pay \$25 for workshops to help offset the cost of materials (if any). You can offer any topic you'd like as long as it's related to model railroading. In the past, topics have included scenery, weathering, wiring, module construction and DCC. We would love to have any topic you would be interested in presenting.

Public Show Hours

The show is open to the public from 10:00 AM – 4:00 PM, both Saturday and Sunday

Setup Policies/Procedures

The setup hours are Friday from Noon – 7:00 PM, and on Saturday from 7:00 AM – 10:00 AM. Most locations will allow dealers to drive their vehicles/trailers into the facility to unload, however it is not possible to drive-in at every location. Drive-in access will be restricted as pathways become obstructed with layouts and other vehicles. We prefer that all exhibitors unload their vehicles and immediately remove their vehicle(s) from the hall before unpacking. This speeds up the process for everyone.

Exhibitor Terms & Conditions

Standard Honorarium

Workshop presenters will be paid a \$25.00 standard honorarium for the weekend

Display layouts will be paid a standard honorarium based on square footage and will be as follows:

\$50.00	Less than 100 ft of actual layout
\$100.00	101 to 499 ft of actual layout
\$150.00	500 or more ft of actual layout

You may request a non-standard honorarium. Please be aware we will give **first preference** to those who do not require an honorarium, then **second preference** to those who request the standard honorarium and **lastly** the non-standard honorarium requests. Odds are, if you are asking for something other than the standard honorarium, you will not be accepted except in rare circumstances.

Acceptance Process

A letter indicating the status of this contract will be sent after the contract is received. The letter will state whether the contract has been accepted, declined, or is on-hold (pending) while we complete the show floor plan. If placed in a "pending" status, you will receive an accepted or declined notice of this contact at least 21 days before the show. This agreement constitutes an agreement between parties and cannot be orally modified. Modifications can only be made by written agreement.
